

Dear Parent/Guardian,

Beechworth Primary School is looking forward to another great year of teaching and learning and would like to advise you of Beechworth Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through voluntary contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this voluntary support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with purchasing of art, music and physical education equipment and resources, enhanced IT facilities and equipment. Other programs which we are able to offer because of your contributions include the Oral Language programs in Years Prep and One, Social Enterprise, a wide variety of Wellbeing programs, Extension Mathematics, an enhanced Language Support program, sport team uniforms and our first aid facilities. We are also able to heavily subsidise the Swimming program.

All parent contributions are voluntary and we thank you for your continued support of our extensive, extra school programs and resources.

Beechworth Primary School makes every effort to keep the cost of items and activities to a minimum and affordable for all parents. The 2022 Parent Payment Arrangements have been approved with careful consideration by the School Council to strike a balance between affordability and accessible education materials that enrich each students learning experience.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Sue McDonald - Principal

Rani Macaulay - School Council President
