Term 4, Week 4

**Beechworth Primary School is committed to the implementation of Child Safe Standards to promote the safety and wellbeing of all young people.**

## Principal's News

Welcome to our Week 4 Newsletter.

At BPS we have a wonderful team of teaching staff, who go above and beyond to support our students each and every day. Our teachers are highly committed to bringing out the very best in our students, supporting their wellbeing and learning. The passion our teachers have extends beyond the classroom to provide extra activities such as excursions, visits to the local library, camps, breakfasts and other celebrations. On behalf of our School Community I say thank you to these incredible teachers who make Beechworth Primary a wonderful place.

### Reminders:

**No school Monday or Tuesday next week.**

**Monday 31st October – Staff professional development day.**

**Tuesday 1st November – Public Holiday**

## Current SWPBS Focus – RESPECT

Currently some of our students are struggling to show respect to their peers, so we are having a focus on listening to what others are saying, using positive body language, speaking kindly and thoughtfully to each other and valuing the opinions of others - even if they are different from our own. When you show respect to others you show that you care about them. When we show respect to each other it helps to make school a happy place for all.

*"At Beechworth Primary School, we demonstrate respect to ourselves, our peers, our teachers and visitors to the school. We also show respect to equipment and our school environment".*

## SSGs

Each term we hold Student Support Meetings (SSGs) for those students identified as having additional needs. The SSG meetings for this term will be held in week 8, providing us with an opportunity to discuss and support students through their transition to their 2023 class.

## Student, Classroom Placement for 2023

We continue to prepare for 2023 through our class creation process, focusing on setting our students up for success in their Education.

Next week we will take the next step in preparing to create our 2023 classes by asking students about their 2023 Student Learner Choices. The students have a voice in aiding the setting up of their learning environment for 2023. Students are asked to list 5 names of students that they feel they learn well with.

It might be a good opportunity for families to discuss this at home too.

2023 Parent Request for Placement: through this Term's Newsletters we have been communicating the process for parent input in class placement for 2023. The opportunity for this to occur ends today, Friday 28<sup>th</sup> October.

## SWPBS Silver Awards

This week at our School Assembly we presented 3 Silver Awards for 60 SWPBS Values tickets.

Congratulations to Max Anders, Isla Baird and Kiana Fitzpatrick on your Silver Award. It is terrific to see these students stepping up and demonstrating our school values.

Have a wonderful week.

Kind Regards,  
Sue McDonald  
Principal
