The BUZZ at BPS

What a week we have had at Beechworth Primary School!

Seeing our students perform on stage with such confidence, enthusiasm and joy was truly something special. For some students, this was their first experience performing in front of such a large audience, and for others it was another opportunity to shine. Every student had a role to play, and every role was important in bringing our production together.

What I loved most was seeing the way our students supported one another. They encouraged each other backstage, celebrated each other's successes and worked together as a team. It was a wonderful reflection of our BPS community.

Our Memorial Hall was filled with proud families, laughter and plenty of BPS spirit, and it was wonderful to share this experience with our community. A very special thank you to **Bethany, Lara, Olga and Loz** for the incredible effort, creativity and care they put into making the production happen.

Most importantly, I want to say a huge well done to **our students**. You should be incredibly proud of yourselves. You stepped up, you gave it your all and you absolutely shone. Watching you take to the stage was one of those moments that reminds us just how wonderful our primary school is.

Well done, BPS. What a show!

Great job George.

Junior Swimming

Starting on Monday 14th September, students will be leaving school between 11:00am and 12:30pm to arrive in Wangaratta.
